This interview focused on the Clearview Landfill and the Folcroft Landfill. The WITNESS was provided with a copy of the letter of introduction, advised of the nature of the questions to be asked and that the interview was voluntary. During the course of this interview, the WITNESS responded to questions based on guidelines provided by the United States Environmental Protection Agency for former employees.

The WITNESS was shown an aerial photograph of both the Folcroft Landfill and the Clearview Landfill. These aerial photographs were used as a reference throughout the interview. The aerial photographs used during this interview will be forwarded under separate cover.

The WITNESS stated that Warren B. Harmon owned and operated both divisions and that both divisions were located at Reed and Eagle Roads in Broomall, Pennsylvania.

ENFORCEMENT CONFIDENTIAL

The WITNESS stated that he was employed by the Warren B. Harmon division and only drove rear-end loader trucks.

When asked how many drivers were employed in each division, the WITNESS stated each division employed approximately 20 drivers.

The WITNESS was asked if he ever disposed of waste at the Clearview Landfill. The WITNESS stated "yes" and indicated that on some occasions when the Delaware County Incinerator and the Folcroft Landfill were closed for maintenance, he would transport waste to the Clearview Landfill.
